

Where is The Pearl located?

The Pearl is located in San Francisco's Dogpatch neighborhood, at the cross streets of 3rd and 19th. The address is below:

601 19th Street
San Francisco, CA 94107

Will food be provided?

Yes! We will provide a variety of appetizers from a delicious vegetarian menu, as well as alcoholic and nonalcoholic beverages. Food and beverages are included with the price of your General Admission ticket. If you have any dietary needs, please reach out to jbyrne@riseuptogether.org.

What should I wear?

Cocktail attire is suggested, but please feel free to come in whatever makes you feel ready to celebrate! Casual is great too. There are multiple floors to visit (accessible via stairs) if this impacts your shoe selection. One of the floors includes an outdoor rooftop. San Francisco weather can be unpredictable so dressing in layers is recommended. There will be a coat check.

Where should I park when I arrive?

The Pearl does not offer free parking, so we encourage guests to carpool or use public transportation if possible. For those planning to drive to the event, there is paid public parking available at [Crane Cove Park](#) on 19th Street. Street parking is also available - pay attention to the signs!

How can I be a part of the event if I can't attend in person?

We understand that not everyone will be able to attend the Gala in person, but there are other ways you can support Rise Up in honor of our 15th anniversary. Please consider making a donation in honor of Rise Up's Gala to support women, girls, and their allies in the fight for gender equity and justice. Please also be sure to follow us on social media (@riseupforgirls) and [subscribe to our newsletter](#) to see all the highlights from the Gala!

I have accessibility needs/dietary requirements; can you accommodate me?

Absolutely. Please reach out to us at jbyrne@riseuptogether.org with more information about any accommodations you may need, and we will do our best to accommodate you.

Some things to note about the venue - There are multiple floors to visit accessible by two flights of stairs. There is an elevator that is activated for ADA use only.
